Minutes
June 29, 2004
5:00pm

Present: Kay Dyson, Mayor, Mary Nedrow Vice-Mayor, Mark Baca, and Pete Hunt

Absent: Scott Cray

Staff: Scott Garms Town Manager, Kurt Hassler Town Manager, and Val Cordova Town Clerk

Public: Phelps and Kay Wilkins, Susan Martin, Dave Pulsifer and Roxanne Knight

1. Mayor Dyson called the meeting to order at 5:06 p.m.
2. Public Participation None
3. Save our School Fund: Review fund raising proposal and ideas as presented by the Committee to Save our School and to take appropriate action.

Mrs. Kay Wilkins explained to the Council the reports they have created to show the Committee's accountability for money and time. They have created forms to keep track of the different categories such as money donations, total donations by individual, sponsorships, in kind labor.

Mr. Phelps explained that the different ways they are looking to raise money to support the project. They would like to make the public aware of what they are doing. They will have a booth set up on the front lawn of the school during the parade to hand out the brochures they created and will move it out to the rodeo grounds on Friday and Saturday. T-shirts are going to be available at the booth as well. Their goal is to educate the public on what they are doing. Their intention is to set up a booth for the County Fair and an Evening of the Arts on July 10th. They will have a float in the parade as well.

They are putting together several fund raising projects such as family history panels that will be displayed in the booths and a sample of the bricks. There will be different categories for sponsorships and donations. Sponsors that donate five hundred dollars or more will have a plaque dedicated to them. Anyone donating fifteen thousand dollars can have a room dedicated to them with a plaque outside of the door. This does not include the contents of the room.

With the assistance of the Historical Society, they would also like to have a garden tour in August.

All of their fund raising efforts are covered in the brochure they will be distributing. They are waiting for the Council to approve the brochures before they send them to the printers. They will have forms available for people that attended school here prior to 1984 so that the committee can keep in contact with them regarding future activities.

Vice-Mayor Nedrow stated that she had concerns with the naming of rooms. As a Council they have not made any decisions as to what is going to be done in the rooms such as a council chamber. Being on the school board they were going to name the dome but too many people wanted it named after their families. She said she was not against this but had concerns with naming rooms as well as having a private library in there.

Mr. Wilkins stated that he was careful in putting together the brochure so that he names different way that the building might be used for.

Ms. Knight explained that naming a room after someone is only financial purchase and not to honor anyone or for any achievement.

Mayor Dyson said that she asked that the library be kept on the building rehab schedule. Because it opens up the town for more grant opportunities.

Roxanne Knight stated that they are currently researching grants and looking ahead to submitting a number of them.

Mr. Wilkins offered to give presentations to various groups such as the Rotary Club.

Ms. Knight reiterated that this is not to be a black hole for the town to sink money into. Beyond the match for the SHPO grant they already committed too. Through grants and fund raising they intend to pay for most of it. This is not their intent.

Ms. Wilkins asked if the Council was comfortable with the brochure would send them to the printers.

Motion by Pete Hunt/Mark Baca to adjourn the meeting.

Vote:	Ayes:	Kay Dyson
		Mary Nedrow
